

## GROUP PROCUREMENT POLICY

This Policy applies throughout RES Group (worldwide). Policies and procedures in RES subsidiaries must be consistent with this Policy.

This Policy is in support of the wider RES Group Vision and our Sustainability Mission.

### Sustainable procurement is

...how RES Group evaluates procurement options for products and services, taking into account our Sustainability Principles. The following statements shall inform our procurement decisions throughout the value chain in our development, engineering, construction, operational and decommissioning activities in order to optimise value on a lifecycle basis:

<p><b>Business</b></p> <ul style="list-style-type: none"> <li>➤ Promote sustainability through industrial engagement and partnerships             <ul style="list-style-type: none"> <li>• To drive down costs with the supply chain with an aim to achieve grid parity for renewable energy</li> <li>• To drive down costs through design and specification</li> </ul> </li> <li>➤ To practice continuous challenge and improvement in our efforts to secure a sustainable supply chain</li> </ul>	<p><b>Reputation</b></p> <ul style="list-style-type: none"> <li>➤ Act in accordance with our Business Ethics Policy</li> <li>➤ Show leadership in the drive to grid parity for renewable and affordable energy</li> <li>➤ Lead by example through ensuring prompt payment when due</li> <li>➤ Take due consideration of the Ethical Trading Initiative (ETI) Base Code</li> </ul>
<p><b>Environment</b></p> <ul style="list-style-type: none"> <li>➤ Promote sustainability through industrial engagement by driving down the environmental impact of components and material; including but not limited to             <ul style="list-style-type: none"> <li>• Careful design and specification</li> <li>• working with our supply chain to reduce the carbon footprint of our business</li> <li>• promoting the use of sustainable alternative materials where possible</li> </ul> </li> <li>➤ Ensure that both we and our supply chain take responsibility for products and services through improving waste management and recyclability</li> </ul>	<p><b>Social</b></p> <ul style="list-style-type: none"> <li>➤ Live our Safety Leadership Vision, taking responsibility for the safety of ourselves and others, committing to a future where everybody goes home safe every day</li> <li>➤ Support the development of a local supply chain where appropriate</li> <li>➤ Support the Principles of the UN Global Compact</li> </ul>
